Board of Directors  
Evergreen Local Improvement District  
Evergreen, Colorado

Dear ELID Board:

We recently surveyed our Evergreen Chamber Business Members about their thoughts on the creation of the improvement district and the 1% sales tax. The results were:

- 90% of respondents were familiar with the proposed district
- 32% attended one of the project planning meetings
- 65% said that the creation of the district with the 1% tax makes sense

Because of our results we are happy to let you know that the business community is in support of the creation of the Evergreen Local Improvement District with the 1% tax. We look forward to future community meetings and hearing about your progress.
